## RoHS & WEEE DIRECTIVE COMPLIANCE STATEMENT

### Waste Electrical and Electronics Equipment (WEEE) (2002/96/EC) DIRECTIVE:

The intention of this directive is to encourage recycling of Electrical and Electronic equipment to reduce unnecessary waste. It makes manufactures responsible to facilitate safe disposal of its supplied equipment at the end of its use.

AMELEC will provide a facility with the following conditions:

1. The returned item must have been supplied by us.
2. All items must be returned fully paid.
3. Items returned must be certified safe to handle by an authorised person.
4. A cover letter must be supplied authorising us to dispose the returned item. The letter must state all serial numbers.

All products supplied by us that are subject to WEEE directive shall carry the following mark.

Alternatively it may be more convenient to use your own company facility to dispose the item in accordance with the WEEE directive.
